Team Spotlight

Dr. Capua has received the Gerolamo Cardano International Gold Medal, by the University of Pavia (Italy). The Gerolamo Cardano International Gold Medal is awarded each year to researchers who have made outstanding contributions to either social and applied sciences, or liberal and applied arts - research which, furthermore, has or could have a significant influence on the world. Dr. Capua has been unanimously selected for her excellence in "Virology and Public Health."

Last month, Dr. Capua was also awarded by the Marisa Bellisario Foundation, with the "Special Prize to the Career". The prestigious Bellisario "Golden Apple" award is bestowed annually to women for exceptional achievements in the pursuit of human rights, peace, solidarity and freedom.
